

Castle View Academy Results 2021

As a result of COVID-19, students and staff across the country have found themselves in an unprecedented situation this year with the cancellation of GCSE examinations. Students have therefore been awarded grades based on what their teachers predicted they would achieve, except in cases where the model created by Ofqual has awarded a higher grade.

Principal Christian Down said:

“This year has been unlike any other and students have been extremely understanding and patient during this difficult time. The grades reflect the hard work and resilience of the year group and I am pleased that the grades awarded will allow Castle View Academy students to take the next steps to post 16 studies. This year group have been incredible and are a credit to the academy.”
