

Castle View Academy Results 2023

With the release of this summer's GCSE results today, students and staff at Castle View Academy have been celebrating some strong results. This year was the first to return to pre-pandemic exam arrangements, so it was a day to recognise the hard work of students over the course of their studies.

"I would like to congratulate all our students celebrating today, after the hard work and effort they have put into their GCSE studies. These qualifications are an important stepping stone – enabling them to move onto the next stages of their lives successfully – so they can each be proud of what they have achieved. What is even more impressive is the level of maturity and dedication these Year 11s have shown during their time at the academy, particularly amidst the challenges of the pandemic. We wish them all well as they take their next steps and look forward to following their future successes."
