# 26 school weeks

## Survival guide:

1. Make sure your son / daughter is organised
2. Have their timetable printed at home
3. Watch the amount of work that they do when not in school
4. Make sure they eat, sleep and rest
5. Support the school by knowing what we do and when

## What will the school do?

- Your children have the best teachers in the school – every lesson, every day
- Work set via homework is only revision or tasks that are required for the examination
- We offer Lesson 7 every evening – focused on revision
- We teach extra English and Mathematics every morning
- We test in each subject once a week so we can see what the students understand
- We reteach any topic not understood
- We will offer holiday revision conferences

Your son / daughter should have everything they need so you don't have to spend money on expensive tutors and revision guides

# What will we take you through this evening?

- Standards - homework and attendance
- Rewards and incentives
- Home learning expectations
- Next steps – colleges
- Student targets
- Exam information
- Specific Maths, English and Science support.

**Thur**

**Fri**

**Absent half a day every week**

## Impact of missed school days:

***The research shows that overall absence has a negative link to attainment, with every extra day missed associated with a lower chance of achieving 5 or more good GCSEs or equivalent at grades 9 to 5 including in English and mathematics.***

**Attendance**

## Year 11 Catch up/learning support sessions

- Independent study is essential at GCSE level.
- If students miss homework or are late, they will have missed vital independent learning time.
- We run supportive silent study sessions at **4.10 – 5.10 on Wednesday and Friday.**
- Students who fail to complete homework are required to attend
- We use the Library and a member of the Senior team work with students on their outstanding work
- They can always catch up with the other homework they have for the week.

# Year 11 Rewards:

- Each week teachers are asked for two names of students who have worked hard during the week.
- These names go into a weekly prize draw. The prize is a £10 high street shopping voucher.
- There will also be half-termly prizes, which will be worth around £50 and then an end of year prize which will be worth even more!
- This is based on effort in class, so the harder the students work, the more likely it is that they'll win.
- There will also be prizes for tutor group attendance.

# College / Next Steps

- Open Evenings are now virtual – register online.
  - Prospectuses are in school. Tutors are going through these with students in tutor time.
  - All students will receive a 1:1 career's meeting with Mandy Haddigan.

# MemRi

The screenshot shows the top navigation bar of the HegartyMaths website. On the left is the 'hegartymaths' logo. In the center are 'Choose lesson' and 'Search HegartyMaths' options. On the right are 'Revise', 'My tasks', 'My scores', and a user profile for 'Lacie Paige' with initials 'LW'. A dropdown menu is open under 'Revise', showing 'Fix Up 5' and 'MemRi New'. A red arrow points from the text 'Click on MemRi' to the 'MemRi New' option. Below the navigation bar, a message says 'Hi there' followed by a redacted box, and 'Here is how you have been working on HegartyMaths this year! Remember to always work hard and never give up.' A 'This year' dropdown is also visible.

MemRi will ask you questions about all of the skills you have previously completed.

MemRi will ask you questions in order of difficulty and by chance of appears in papers.

MemRi will **ONLY** ask you questions that you have got right before.

MemRi has been tested **and** proven to increase GCSE grades.

# Fix Up 5

The screenshot shows the HegartyMaths user interface. At the top, there is a navigation bar with the logo, 'Choose lesson', 'Search HegartyMaths', and user options like 'Revise', 'My tasks', 'My scores', and 'Lacie Paige'. A dropdown menu is open, showing 'Fix Up 5' and 'MemRi' with a 'New' badge. A red arrow points to 'Fix Up 5' with the text 'Click on Fix Up 5'. Below the navigation bar, there is a greeting 'Hi there' followed by a text box and a message: 'Here is how you have been working on HegartyMaths this year! Remember to always work hard and never give up.' A calendar icon shows 'This year'.

Fix Up 5 will only ask you 5 questions.

Fix Up 5 will only ask you questions you have got wrong before.

Fix Up 5 will give you links to the tutorial videos to re-learn skills you are getting incorrect.

Fix Up 5 is designed to close gaps in knowledge.
