Spare Inhaler

The law has changed so as to allow schools to hold a spare salbutamol inhaler for emergency use, provided that parental consent has been given for its use in an emergency, should your child's own inhaler not be available. We know that 86% of children have been without their own inhaler because it was lost, forgotten, broken or had run out. Previous legislation meant it was illegal for schools to have a spare emergency inhaler to use in the event of a potentially life-threatening asthma attack.

Supply

Schools can buy inhalers and spacers (these are enclosed plastic vessels which make it easier to deliver asthma medicine to the lungs) from a pharmaceutical supplier, such as a local pharmacy, without a prescription, provided the general advice relating to these transactions are observed. Schools can buy inhalers in small quantities provided it is done on an occasional basis.

Asthma Medication

Blue Reliever Inhalers - The most common asthma medications seen in school are blue reliever asthma inhalers, used by the majority of students. Blue reliever inhalers give immediate relief from asthma symptoms by dilating the small airways, opening up the air passages and making it easier to breathe.

Brown Reliever Inhalers - This protective effect builds up over a period of time so they need to be taken every day (usually morning and night).

I would be extremely grateful if you could sign and return this form if you agree to allow us to administer this medication in an emergency.

Yours sincerely

Mrs Jeanette Levers

Attendance and Punctuality

'Miss School, Miss Out' Campaign

It's important to ensure that each child attends school regularly. Evidence shows that children who do so are more successful, not only in school, but in all areas of life. Missing school means not only missing out on lessons, but also clubs, friendships, careers support, trips and all the other opportunities the Academy has to offer. If children understand the importance of regular attendance from an early age, it helps them to maintain that attitude throughout their school life and into their work life. At Castle View Academy we wish to work in partnership with parents and carers and so are seeking your full support in ensuring that your child attends the Academy every day and on time.

Monitoring Attendance

Castle View Academy monitors attendance carefully and will contact you if your child's attendance causes concern. As a parent/carer you are committing an offence if you fail to ensure that your child attends the Academy regularly and punctually, even if they are missing the Academy without your knowledge. It is important that parents/carers monitor single day's absence, as these days soon add up to weeks.

At Castle View Academy we reward students who attend the Academy each day and whose attendance is improving. Students are also rewarded for good punctuality.

Responsibilities of Parents and Carers

As a parent/carer it is your responsibility to ensure the following:

- Your child attends Castle View Academy daily and is punctual
- Contact Castle View Academy (tel: 02392 370321) on each day of unavoidable absence by 8:30am, earlier where possible
- Arrange medical or dental appointments outside of Academy hours
- Inform Castle View Academy of any future appointments in advance

- Provide medical evidence by way of appointment cards or appointment letters
- Attend meetings if requested with regards to attendance or lateness as appropriate

If you do not contact Castle View Academy, we will either phone you to find out why your child is not in school or a text will be generated to your registered mobile phone contact number informing you that your child has failed to attend the Academy. This is a safeguarding procedure.

Holidays

Requesting Leave of Absence must be done in writing (the form is available on our website) to the Principal. Approval will only be considered under exceptional circumstances and the Principal will ask for specific appropriate evidence. Cheaper holiday dates, visiting relatives here or abroad and limitations on parents' leave entitlement are not deemed exceptional circumstances. If Leave of Absence is taken without authorisation, parents/carers are likely to be subject to a Fixed Penalty Notice from Portsmouth County Council.

Parents/Carers should not take students out of the Academy in the period before or during examination season as this places students at a serious disadvantage which is why this leave will not be approved.

Food in the Academy

Academy Dinners

Children have the choice of bringing a healthy packed lunch or having a Academy dinner. Academy meals are provided by 'Caterlink', who offer a wide range of nutritional main meals plus a varied range of breakfast items and 'grab-and-go' snacks. Menus are available to view on our Academy website under the 'Information' section.

Dinner Money

The Academy is going Cashless from September 2019. Please visit the website for more information.

Packed Lunch

If you decide to give your child a packed lunch, please choose healthy options. We do not use nuts in school meals. Please ensure that you do not give your child packed lunches that contain nuts, particularly peanuts, in any form, e.g. peanut butter, Nutella etc.

Break Time and Drinks

Students may bring a healthy snack to eat at break time. Chewing gum, sweets and chocolate bars are not allowed in the Academy.

We encourage children to drink regularly to remain fit and healthy so please ensure your child comes to school with a bottle of water. Flavoured water is acceptable, however no other drink is allowed. We will confiscate any liquids that are not water.

Free School Meals and Pupil Premium

You can make an application for free school meals online by following the link on our Academy website within our 'School Meals' section to access the Portsmouth County Council application form.

The Government makes this funding available for any students receiving free school meals (now or anytime in the past 6 years) and other disadvantaged students (looked after children and children of service families) in order to close the achievement gap and promote inclusion between these groups. In 2018-19 the Academy was allocated £329,120 through pupil premium funding. This funding supports 352 students, 61% of the current cohort. We therefore encourage parents to apply and/or confirm to us if they have ever qualified for free school meals.

Homework

Homework is important because it helps our students develop the self-discipline of working independently and gives them the opportunity to regularly practise using the new knowledge they have covered in class. Because we recognise that students have evening and weekend commitments, any homework set will be given at least one week to be completed. A record of all homework set can be found on www.showmyhomework.co.uk. All students have a login for this site and parents/carers can also log in to check what work has been set.

Our maths department sets their homework via www.hegartymaths.com and students are expected to complete their maths homework on this website.

Behaviour for Learning

By setting the highest expectations in terms of learning, behaviour, attendance and appearance, our students develop a deep sense of purpose. We operate a 'no excuses' policy regarding disruption-free learning. As a result, Castle View Academy provides a happy, calm and confident environment in which students make excellent progress and achieve strong exam results. Our Tutors are supported by other senior members of staff and by an Assistant Principal which means there is always someone on hand to meet a student's needs. We focus on allowing individuality to flourish and on nurturing personal development. This encourages students to feel empowered; to achieve their goals; to develop as scholars and to grow as individuals. Effort and success in all aspects of Academy life are celebrated through a range of rewards and events. We very much believe that students are powerful agents for change.

E-Praise

At Castle View Academy we believe in rewarding students for their hard work and effort. We do this by awarding E-Praise points which students can collect and then exchange for rewards from our E-Praise shop.

These rewards include: baking experiences, hot chocolate with the Principal, vouchers, stationery or makeovers.

Guided Reading

It's been scientifically proven that reading plays a big role in determining the outcomes for every student. At Castle View Academy, each student is expected to engage in guided reading 3 days a week by reading with their tutor group from the same text, which is the same for the whole year group. Reading together not only improves vocabulary, but also exposes our students to a range of ideas and challenges them to think outside of the box.

Bus Pass and Locker Forms

Application forms for lockers are available on our website or via Reception. Application forms for bus passes can be collected from Reception.

Frequently Asked Questions

Here are our answers, to what we find, are the most frequently asked questions. If you have any questions that are not answered here, please contact the Academy office and we will be happy to help!

What is roll-call and how does it work?

Each day, our Academy begins and ends with 'roll call'; an opportunity for our community to come together and celebrate success in a disciplined environment.

Every morning and afternoon, students line up in their tutor groups and engage with tutors about what went well for the day and what can be improved for tomorrow. We also check equipment and CV Proud cards during this time.

What happens if my child is late?

Students are expected to be in the Academy by 8:25 as our morning whistle blows at 8:29. By 8:30:59 we close our gates and students who are not in school by this time are deemed late. These students go to the withdrawal room where their details are logged and then they follow their normal school timetable. All students who are late are expected to stay in the Academy until 16:00 on the same day of them being late.

What is the CV Proud Card and how does it work?

We expect our students to be the very best version of themselves and we encourage them to be #CVProud. All students are issued with a CV Proud card that enables them to showcase exemplary behaviour in and out of the Academy.

What happens if my child is ill and/or can't attend school?

It is vital that your child is in the Academy every day for every lesson. If a situation arises that makes this impossible, we ask that you ring the Academy as early as possible. If you ring before 8:00, you will be prompted to leave a message or alternatively you can speak to the receptionist after 8:00. You will be contacted by a member of staff to discuss your child's absence.

What happens if my child falls ill/gets injured at school?

Parents/carers are contacted when their child feels unwell or has seriously hurt themselves, especially if they have bumped their head. Please ensure that your contact details are kept up to date on our records.

How does the Academy assess my child?

From Year 7-10, students take two formal assessments each year and a 'rank order assessment' grade is generated based on each student's performance in the examination. Students are given a target rank, based on their previous academic ability, and are rewarded for hard work, determination and 'grit'. This rank will also allow us to determine their progress and attainment.

What happens if there is an emergency and the Academy needs to close?

We always try to keep the Academy open, but occasionally this is not possible. If there is a heavy fall of snow, parents are asked to listen to the local radio and when possible we will also advise parents via email/text and/or the Academy website.

Collecting Your Child

If Academy closure is announced during the day due to severe weather conditions, every effort must be taken to collect your child as soon as possible. Please have a contingency plan for someone to collect your child if ever you are unable to do so. Please also make sure that we have at least two current contact numbers, in case we need to contact you urgently.

What do I do if I have a complaint/concern?

If you or your child ever experience problems with our Academy, then please contact your child's tutor as soon as possible. Most complaints can usually be resolved informally. However, in the event that a parent/carer feels dissatisfied, we will provide a copy of the Academy's Complaints Procedure which is also available on our website.

Working with Parents

Parental Involvement

We believe that our Academy is successful when it works in partnership with people and organisations that can enhance the quality of education it provides. The most important partnership is with parents. Children make maximum progress when home and school work closely together. We have an 'open door' policy and welcome parents' input.

Communication with Parents

As we live in an era where mobile communication dominates our lives, all communication will be notified via the following platforms: our twitter feed: @castleviewUL; our Facebook page: @CastleviewUL, our website: www.castleviewacademy.org.uk and through occasional text messages. For parents new to Twitter, this is a free app available on both Android and Apple platforms. Please also ensure we have a current email address as future communications will take place via email.

Governance

Castle View Academy is a part of United Learning, whose Trustees hold the ultimate responsibility for the governance of each United Learning school. Castle View Academy is a Local Governing Body. We have effective governance in place which includes:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the Principal to account for the educational performance of the Academy and students;
- The performance management of staff;
- Overseeing the financial performance of the Academy and making sure its money is well spent.

Keeping You Informed

Parents' Evenings

We offer a range of opportunities for parents/carers to see and hear feedback on their child's progress. These include parents' evenings and progress meeting throughout the academic year when we meet with parents/carers on a more formal basis to discuss their child's development

News

Our website (www.castleviewacademy.org.uk) has lots of useful information including news updates, term dates and information on Academy activities.

The Home Academy Agreement

We believe it is essential to have strong links between home, school and the community. All children, parents and teachers are asked to sign a Home Academy Agreement that outlines the intentions of all three parties.

Our vision is to ensure that every child is able to thrive, develop and succeed in an environment built on the highest standards. In short, our wish for your children is that they achieve their absolute best and become the best that they can be.

Our Values and Ethos

At the heart of our Academy ethos is seeking 'The best in everyone' through:

- A devotion to the best teaching, every lesson, every day.
- A commitment to exceptional progress for all students from all starting points.
- A desire to develop and cultivate the talent in all.
- A relentless focus on 'disruption free' learning - enabling all young people to express themselves in a safe, secure and trusting environment.

Values and Ethos

Our approach is underpinned by a sense of moral purpose and commitment to doing what is right for children and young

people, supporting colleagues to achieve excellence and acting with integrity in all our dealings within and beyond the Academy, in the interests of young people everywhere.

We summarise this ethos as Excellence in All We Do. This ethos underpins our core values:
