

Subject Resources for Strike Days, Summer 2023

The resources below cover years 7-10. We are expecting Y10 to be in school however if they are ill they will want to work on the Y10 resources independently. We would recommend that pupils follow their school timetable on each day and complete a lesson from the below links. Lessons are linked to the work pupils have studied in class and so will support their revision for assessments and introduce new topics.

English
