If you are unsure about what you want to do, have changed your mind, or not attended your College interview you can contact the careers adviser linked to your school for careers support.

Don't worry! It is not too late to apply for a range of exciting opportunities that are local to you. Colleges are accepting online applications at the moment and many offering telephone interviews.

Whether or not you have a plan for your future a great place to start is **Flying Start, Portsmouth** (see below) which is designed to help young people in year 11 from Portsmouth schools to plan and prepare for life, study and work after school. It gives you the resources you need when considering a course at college, apprenticeship or other employment and will help you fulfil your potential.

We know that your final year of education is very different from what you might have imagined, however, it is really important that you now spend time planning and preparing for your next step and **Flying Start, Portsmouth** can help you do that.

Over the next few weeks **Flying Start, Portsmouth** will be adding more resources and links to help you, so make sure you check out the page regularly.

You can contact your careers adviser for support with your next steps using their details at the beginning of this flyer.
