## Year 11 Home Learning Plan – Spring 2 - 2020/2021

|         | What You Need To Do  | Skills Practiced  |   | Extra Hegarty<br>Maths Practice              | Clip<br>Number                 | If you are stuck, email your teacher                |
|---------|--|---|---|--|--------------------------------|---|
|         | Variable and will be a maintain of ward.   | Week 1 – Rearranging Formula<br>and Linear Graphs                 | Click Link Click Link Click Link Click Link | Rearranging Formula and<br>Linear Graphs     | 280-286, 207-<br>216           |   |
| 11ma1   | Your lessons will be a mixture of work from the United Learning pupil website and Oak National. All you need to do is click on the link and it will take you to the appropriate lessons. The Hegarty Maths clips will also support your learning. If you are stuck or unsure about what you need | Week 2 and 3- Solving<br>Quadratic Equations                      | Click Link<br>Click Link                    | Solving Quadratic<br>Equations               | 230-234, 238,<br>239, 241, 242 |   |
|         |  | Week 4 – Simultaneous Equations and inequalities                  | Click Link<br>Click Link                    | Simultaneous Equations and inequalities      | 190-193, 269-<br>271, 277      | 11ma1 - a.lee@castleviewacademy.org.uk              |
|         |  | Week 5 – Surds  | Click Link Click Link Click Link Click Link | Surds  | 113-119                        |   |
|         | to do the email your teacher.  | Week 6 – Functions  | Click Link                                  | Functions                                    | 288, 292, 297                  |   |
|         |  | Week 7 - Indices  | Click Link<br>Click Link                    | Indices                                      | 102-110                        |   |
|         | Your lessons will be a mixture of work from the United Learning pupil website  | Week 1 and 2 – Algebraic<br>Manipulation and Solving<br>Equations | Click Link<br>Click Link                    | Algebraic manipulation and solving equations | 157-162, 168-<br>170, 179- 184 |   |
|         | and Oak National. All you need to do is click on the link and it will take you to the  | Week 3 and 4 – Pythagoras and Trigonometry                        | Click Link Click Link                       | Pythagoras and<br>Trigonometry               | 498-499, 501-<br>504, 509-512  | 11ma2 – <u>l.mcquilken@castleviewacademy.org.uk</u> |
| 11ma2-4 |  | Week 5 – Linear Graphs and coordinate geometry                    | Click Link<br>Click Link                    | Linear Graphs and coordinate geometry        | 200-203, 205                   | 11ma3 – <u>s.reeve@castleviewacademy.org.uk</u>     |
|         |  | Week 6 - Circles  | Click Link                                  | Circles                                      | 534-537, 539-<br>542           | 11ma4 – m.gill@castleviewacademy.org.uk             |
|         | to do the email your teacher.  | Week 7 – Volume and Surface<br>Area                               | Click Link Click Link                       | Volume and Surface Area                      | 568-570, 572,<br>584-586       |   |

|  |   | Your lessons will be a mixture of work from the United Learning pupil website and Oak National. All you need to do is click on the link and it will take you to the appropriate lessons. The Hegarty Maths clips will also support your learning. If you | Week 1 and 2 – Algebraic<br>Manipulation and Solving<br>Equations | Click Link<br>Click Link | Algebraic Manipulation and Solving Equations | 157-162, 168-<br>170, 179- 184 | 11ma5 – s.reeve@castleviewacademy.org.uk  |
|--|---|--|---|--------------------------|--|--------------------------------|---|
|  |   |  | Week 3 – Factors, Multiples and Primes                            | Click Link               | Factors, Multiples and<br>Primes             | 27-32, 34-37                   | 11ma6 - m.gill@castleviewacademy.org.uk   |
|  | 11ma5-7                                 |  | Week 4 – Fractions and<br>Percentages                             | Click Link               | Fractions and Percentages                    | 61-70, 84-86,<br>90, 94        | 11ma7 – e.jones@castleviewacamdemy.org.uk |
|  | are stuck or unsure about what you need | Week 5 – Linear Graphs   | Click Link<br>Click Link  | Linear Graphs            | 200-203, 205                                 |                                |   |
|  | to do the email your teacher.           | Week 6 and 7 - Circles   | Click Link  | Circles                  | 534-537, 539-<br>542                         |                                |   |

<sup>\*</sup>Year 11 is based heavily around revision. Some of the skills practiced will be based on work from year 9 and 10 so if you are doing video lessons that say 'Year 9 or 10', or doing Hegarty tasks that you have done before then that is fine.
