Summary – Attendance at a Glance

Attendance Matters

Here at Castle View Academy we have the highest expectations across all areas of academy life including attendance. We value positive relationships between staff and students and want all students to feel they belong here and are valued. We work with our students to ensure that they have the highest possible attendance at the academy. We believe that this is the best way for them to succeed and to get the most out of all we have to offer.

There is a clear link between academic outcomes and school attendance. We want all students to achieve excellent outcomes to give themselves the very best chance in life. There are 175 non-academy days per year for holidays, shopping and appointments. There is no need, except in extreme circumstances, to miss a day of education. If you miss one session in a week (remember, there are two sessions per day) your attendance is 90%. This means you miss 19 days of education in a year and risk dropping one grade in your GCSEs.

It is vital that we work together to teach our students the value of attending academy each and every day. However, we do appreciate that at times, students may not be able to attend academy. We ask our parents and carers to follow the processes below as they support our safeguarding procedures.

Should you have a concern about your child's attendance, then we ask that you contact us to discuss this. We believe in strong partnerships across all parts of academy life. This includes attending the academy.

It is important that students arrive at the academy on time, and they must be at the academy by 8.30am.

Absence through illness or unforeseen circumstances

Report your child's absence via the online form which can be found on the home page of the academy website. Please leave your child's name, their tutor group, and the reason for their absence. Do expect to receive a call back from the academy to discuss your child's absence and to see if we can support in any way. If students suffer any form of injury, then we ask that you contact the academy to make us aware. This is so we can do a risk assessment with you. It will identify impacts of the injury and the support your child may need. See section 7.3 of the full policy for further information.

Attending an Appointment

Please schedule dental and non-urgent medical appointments outside of academy hours. We know this might be tough for hospital visits. If rescheduling fails, your child must bring a medical letter or appointment card. We need it for our records. Students must be picked up and returned to academy if their appointment ends during the academy day. For more details, check section 6.2 of the full policy.

Known Absence

Your child may need to miss academy for exceptional reasons. If so, parents or carers should ask the Principal. They should use the form available on the website. Where possible, the request should be made at least three weeks before the required date. The form should be completed and emailed back to attendance@castleviewacademy.org.uk. If such a request is made, the academy expects it to be short. But even then, they may not be able to approve it.

If the Principal does not authorise it, then the absence is 'unauthorised' and can incur a penalty.

We must follow legal rules. Therefore, we cannot approve holiday requests during term time. Additionally, the Local Authority may issue penalty notices. For more details, please check the Attendance Policy and Procedures (section 6.1).

Support

We take absence very seriously. We are committed to supporting any child who is finding it difficult to attend academy regularly. We will target support for any student whose attendance falls below 95%. Further information on support can be found in the full policy.

Punctuality

Students can come into the academy building from 8:10am for breakfast club. The academy day starts at 8:30am and we expect your child to be in the academy at that time. Registers close at 9:00am and arrival after 8:30am will mean the child is late. Lateness means they miss out on important routines which help get their day off to a positive start. Late arriving students also disrupt lessons during the day for themselves and others.

How we manage lateness to academy and lessons

Lateness to the academy

Students who arrive after 8:30am but before 9:05am should arrive through the student late entrance and wait in the late room until the start of Period 1 in order to avoid disrupting tutor time. Students who arrive after 9am will need to enter through reception and will be placed into R&R for the remainder of that period to avoid disturbing lessons. All students who arrive after 8:30am will receive a 10 minute detention at lunchtime. Students who are repeatedly late should expect to be issued with detentions and should the lateness persist, an attendance meeting will be scheduled to agree a plan to curtail the lateness.

Parents may face prosecution if their child is often late after the register has closed. We will watch for this and offer support. If the problem persists, we might take action.

Lateness to lessons

Students have 5 minutes to move between lessons. Students who arrive to lesson after the 5 minute late bell will be sent to R&R for two periods and a social time. Lateness to lesson disrupts learning and all of our students deserve disruption free learning, every lesson, every day.

The rest of this document outlines our Attendance Policy and Procedures. We encourage all parents to review it. This ensures they understand how we handle attendance. If getting your child to academy is hard, please contact us immediately by contacting your child's Head of Year in the first instance.

Part A - Policy

1. Introduction

This Attendance Policy outlines the culture and approach to supporting good attendance at our academy. The second part of the document outlines the more detailed procedures, roles and responsibilities related to student attendance that operate at our academy. Through all that we do to manage attendance, we are committed to creating a positive learning environment, supporting student achievement, and complying with legal requirements.

This is a successful academy, and all students play their part in making it so. We aim for an environment which enables and encourages all members of the community to be proud to belong and to achieve their best. For our students to gain the greatest benefit from their education it is vital that they attend regularly and should be at academy, on time, every day the academy is open unless the reason for the absence is unavoidable. It is very important therefore that parents¹ make sure that their children attend regularly, and this policy sets out how together we will achieve this.

Regular attendance at the academy is of critical importance to a child's education. Evidence tells us that the students with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment. Any absence affects the pattern of a student's schooling and regular absence will seriously affect their learning. Any student's absence disrupts the learning of others in the same teaching groups by disrupting classroom routines. **Ensuring your child's regular attendance is your legal responsibility.**

The principles of a 'support first approach' are adopted and we seek to:

Support first approach (as set out in DFE Guidance)	
Expect	Aspire to high standards of attendance from all students and parents and build a culture where all can, and want to, be in academy and ready to learn by prioritising attendance improvement across the academy.
Monitor	Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so

¹ The definition of a parent can be found in the Education Act 1996, and this applies to all the legislation to which this guidance relates. In addition to the child's birth parents, references to parents in this guidance include any person who has parental responsibility (which includes the local authority where it has a care order in respect of the child) and any person (for example, a foster carer) who has care of the child. To reflect this, this guidance uses 'parent' to refer to both parents and carers.

	all parties can work together to resolve them before they become entrenched.
Listen and understand	When a pattern is spotted, discuss with students and parents to listen to and understand barriers to attendance and agree how all partners can work together to resolve them.
Facilitate support	Remove barriers in academy and help students and parents to access the support they need to overcome the barriers outside of academy. This might include an early help or whole family plan where absence is a symptom of wider issues.
Formalise support	Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through an attendance contract or education supervision order.
Enforce	Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the student's right to an education.

2. Aims

Our aim is to create an academy environment where children feel they belong and want to come to the academy. We believe our academy is a great place to learn, and that being in the academy day in, day out, is in the best interests of all our students. However, we recognise that there will be times when there may be barriers that prevent children from attending academy. In these instances, we will act early to understand the issue, provide support and work with the child and their family to get them back to regular attendance as quickly as possible.

We believe that one of the most important factors in promoting good attendance is the development of positive attitudes towards academy and a sense of belonging. To this end, we strive to make our academy a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents.

By promoting good attendance and punctuality we aim to:

- Make good attendance and punctuality a priority for all those involved in the academy community.
- Raise our students' awareness of the importance of good attendance and punctuality.
- Provide support, advice and guidelines to parents, students and staff.
- Work in partnership with parents, including regularly informing them about their child's absence and attendance levels.
- Support students back into the academy following a lengthy or unavoidable period of absence and provide support to build confidence and bridge gaps.

- Celebrate and reward good attendance and punctuality.
-

This policy sets out our academy's position on attendance and details the procedures that all parents² must follow to report their child's absence from academy and to remind them of their legal duty, to ensure their child attends academy regularly.

This policy will be applied fairly and consistently, considering the individual needs of our students and their families who have specific barriers to attendance. Therefore, in the development of our policy we have considered our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

We will also support parents to perform their legal duty to ensure their children of compulsory³ academy age attend regularly and will promote and support punctuality in attending lessons.

We want our students to come to the academy every day unless they are not well enough to attend. We believe that children who attend academy regularly are more likely to feel settled in the academy, maintain friendships, keep up with their learning and gain the greatest benefit from their education. We want all our students to enjoy the academy, grow up to become emotionally resilient, confident and competent adults who can realise their full potential. Regular attendance and punctuality are essential in the workplace and children who are used to attending the academy on time, and on every occasion unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.

In April 2017, the Supreme Court clarified the definition of regular attendance to be attendance "in accordance with the rules prescribed by the school", therefore if an absence is not authorised by the academy, the student's attendance is deemed to be irregular. We will do all we can to encourage our students to attend. We will also make available the best provision we can for any student who needs additional support in academy or who is prevented from attending academy, due to a medical condition.

Please see DfE guidance documents 'Supporting students at school with medical conditions - December 2015', 'Ensuring a good education for children who cannot attend school because of health needs- January 2013' and 'Mental health issues affecting a student's attendance: guidance for academies - GOV.UK (www.gov.uk)' – or ask the academy for printed copies.

² Education law defines parents as: all natural parents, whether they are married or not; any person who has parental responsibility for a child or young person; and any person who has care of a child or young person i.e., lives with and looks after the child. In this policy the term 'parent' includes parents and carers.

³ A child becomes of 'compulsory academy age' on the 1st January, 1st April or 1st September following their 5th birthday and ceases to be of compulsory academy age on the last Friday in June of Year 11.

2.1. Effects of non-attendance

The table below indicates how what might seem like just a few days absence can result in children missing a significant number of lessons.

Attendance during academy year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 Days	2 Weeks	40 Lessons
90%	19 Days	4 Weeks	80 Lessons

3. Safeguarding and Attendance

Our academy will monitor trends and patterns of absence for all students as a part of our standard procedures. However, we are aware that sudden or gradual changes in a student's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance Keeping Children Safe in Education, we will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of our safeguarding duty and our standard procedures, we will inform the Local Authority and/or the Police of the details of any student who is absent from academy when the academy cannot establish their whereabouts and is concerned for the student's welfare.

4. Legislation and Guidance

This policy meets the requirements of the government guidance 2024 Working together to improve school attendance (applies from 19 August 2024) (publishing.service.gov.uk) from the Department for Education (DfE), and refers to the DfE's 2015 statutory guidance on Academy Attendance Parental Responsibility Measures. These documents are drawn from legislation setting out the legal powers and duties that govern academy attendance including:

- The Education Act 1996
- The Children Act 1989
- The Crime and Disorder Act 1998
- The Anti-social Behaviour Act 2003
- The Education and Inspections Act 2006
- The Sentencing Act 2020
- The School Attendance (Student Registration) (England) Regulations 2024
- The Education (Parenting Contracts and Parenting Orders) (England) Regulations 2007
- The Education (Information about Individual Students) (England) (Amendment) Regulations 2024
- The Education (Penalty Notices) (England) (Amendments) Regulations 2024

5. Using data to support improvements in attendance

Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a student as a 'persistent absentee' when they miss 10% or more schooling across the academy year, for whatever

reason. For students who miss more than 50% of possible sessions they are defined as 'severely absent'.

The academy will ensure that data is routinely monitored to identify emerging attendance issues and will seek to prevent any student becoming persistently or severely absent. This will include: identifying the individual needs of students; working closely with families and wider support services to remove barriers to attendance; and where a formalised approach in conjunction with the local authority is required in line with the DfE guidance Working Together to Improve Academy Attendance.

6. Understanding Barriers to Attendance

In relation to understanding barriers to attendance, we will ensure all students and parents are treated with dignity and staff will model respectful relationships to build a positive understanding between home and academy that can be the foundation of good attendance. In communicating with parents, we will highlight the link between attendance and attainment and wider wellbeing and enhance their understanding of what good attendance looks like. Where a student or family needs support with attendance we will identify who is best placed to work with them to address issues.

We will support students and parents by working together to address any in-academy barriers to attendance. Where barriers are outside of the academy's control, all partners should work together to support students and parents to access any support they may need voluntarily. Where absence intensifies, so should the support provided, which will require the academy to work in tandem with the local authority and other relevant partners.

Some students face greater barriers to attendance than their peers. These can include students who suffer from long term medical conditions or who have special educational needs and disabilities. In working with parents to improve attendance, we are mindful of the barriers these students face and will put additional support in place where necessary to help them access their full-time education.

Reduced timetables will only be used in exceptional circumstances, for a limited period and to support students to reintegrate back into education to access fulltime provision.

The academy is committed to share information and work collaboratively with other schools in the area, local authorities and other partners when absence is at risk of becoming persistent or severe.

7. Staff Training on Attendance

Improving attendance requires knowledge of guidance and regulations but also expertise in working with families to remove barriers to attendance and safeguard students. Just as those barriers are regularly evolving, so too is the training that academy staff require to address them. The academy therefore will facilitate training for all staff to understand

- the importance of good attendance and that absence is almost always a symptom of wider circumstances,

- the law and requirements of schools; including on the keeping of registers
- the academy and trust strategies and procedures for tracking, following up and improving attendance,
- the processes for working with other partners to provide more intensive support to students who need it.

For staff with specialist attendance responsibilities, they will receive training to include:

- the necessary skills to interpret and analyse attendance data,
- and any additional training that would be beneficial to support students and student cohorts overcome commonly seen barriers to attendance.

Part B - What the Law Says and Our Procedures

1. Roles and Responsibilities

Attendance at Castle View Academy is everyone's responsibility. All staff members have a responsibility for improving academy attendance. Listed below are those staff members most directly involved in the day-to-day management of attendance and absence.

The Local Governing Body

The Local Governing Body is responsible for monitoring attendance figures for the whole academy on at least a termly basis. It also holds the Principal to account for the implementation of this policy.

The Principal

The Principal is responsible for ensuring this policy is implemented consistently across the academy, and for monitoring academy-level absence data and reporting it to Governors. The Principal also supports other staff in monitoring the attendance of individual students and requests fixed-penalty notices, where necessary.

Attendance Champion/Vice Principal

Responsible for line management of the attendance team through weekly meetings and daily check ins. Lead Link with Local Authority and overall responsibility for attendance at a strategic level including forensic analysis of attendance for key groups and identifying effective interventions. Oversees Leave of Absence Requests and liaises with Principal as needed.

Attendance Officer

Leads on operational actions including liaison with families and local authority, monitors attendance and academy, year and individual level, lead on individual attendance plans, co-ordinates home visits with DSL and Inclusion and Welfare Officer.

Head of Year

Works with students and families to ensure barriers to attendance are managed, rewards

for excellent attendance and improvement.

Attendance Administrator

Oversees accuracy of registers, accurate completion and day to day administration

Class Teachers and Form Tutors

Class teachers and form tutors are responsible for recording attendance daily, using the correct codes, and submitting this information in a prompt manner via the electronic Arbor system.

2. Contents of the Admissions Register

The admission register (sometimes referred to as the academy roll) must contain specific personal details of every student in the academy along with the date of admission or re-admission to the academy, information regarding parents and carers, and details of the academy last attended. The academy will enter students on the admission register at the beginning of the first day on which the academy has agreed with, or been notified by the parent, that the student will attend.

A student's name can only lawfully be deleted from the admission register if a reason set out in regulation 9 of the Academy Attendance (Student Registration) (England) Regulations 2024.

It is vital that the admission register is kept up to date, it is a legal document. Therefore, we encourage parents to inform the academy of any changes whenever they occur and ensure the admission register is amended as soon as possible.

3. Contents of Attendance Register

The law makes it clear that schools must take the attendance register at the start of the morning session of each academy day and once during the afternoon session. On each occasion the register is taken, the appropriate attendance and absence code must be entered for every student. Please refer to Working Together To Improve Academy Attendance for the code descriptors and also Appendix 2 of this document.

<https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

The academy must record whether each student is:

- Attending, or
- Absent

Effective and timely use and sharing of register data is critical to safeguard children, improve attendance and is supported using our electronic management information system to record attendance information. Our registers will be preserved for 6 years from the date after the last entry was made.

4. Attending the Academy (and Lateness)

Students are marked present (/ \) if they are in academy when the register is taken. If a student leaves the academy premises after registration they are still counted as present for statistical purposes.

It is the duty of parents to ensure that children attend the academy on time. This encourages habits of good timekeeping and lessens classroom disruption. Our students must arrive by 8.30am on each academy day.

Our morning register is taken at 8.35am and will be kept open until 9.00am. Our afternoon register is taken at 12:00pm and will be kept open until 12.30pm. A student who arrives late but before the register has closed will be marked as late (L) – which counts as present. If a student arrives after the register has closed they will be marked with the unauthorised absence code “Late after registers close” (U) which is an unauthorised absence mark. However, if the student is late arriving due to a valid reason such as an unavoidable medical appointment, the absence will be authorised and coded accordingly. See DfE guidance Working together to improve academy attendance (applies from 19 August 2024) (publishing.service.gov.uk)

5. Attending a place other than the academy

Students are marked as attending a place other than the academy if they are present for the assigned session. These codes include:

- Code K: Attending education provision arranged by the local authority
- Code V: Attending an educational visit or trip
- Code P: Participating in a sporting activity
- Code W: Attending work experience
- Code B: Attending any other approved education activity
- Code D: Dual registered at another setting

Our academy retains responsibilities for the safeguarding and welfare of students attending an approved educational activity. Our academy must be satisfied that appropriate measures have been taken to safeguard the student. Our academy should ensure that we have in place arrangements whereby providers notify the academy of any absence. Our academy must record the student’s absence using the relevant absence code.

If a student is attending an alternative education provider, such as another school or student referral unit for part or all of their education, our academy will make arrangements for the student to be dual registered at the other setting and mark our registers accordingly. If a student is attending an alternative education provider arranged by the academy, which is not a school or student referral unit, for part or all their education, we will mark the sessions which the student attends the alternative setting as code B (any other approved educational activity).

The academy expects the alternative provision (AP) to notify us of any absences by individual students, to ensure we become aware of any attendance concerns as soon as

possible and take follow up action as necessary. Attendance updates will be provided on a fortnightly basis, or more frequently if agreed with the alternative setting. Any attendance concerns will be followed up by us, in conjunction with the alternative provision (AP).

6. Absent – Leave of absence

A leave of absence means that the academy has given approval in advance for a student of compulsory academy age to be away from the academy. These codes are classified for statistical purposes as ‘authorised absence’ which means the student’s absence is with permission granted by the academy. These codes include:

- Code C1: Leave of absence for the purpose of participating in a regulated performance or undertaking regulated employment abroad
- Code M: Leave of absence for the purpose of attending a medical or dental appointment
- Code J1: Leave of absence for the purpose of attending an interview for employment or for admission to another educational institution
- Code S: Leave of absence for the purpose of studying for a public examination
- Code X: Non-compulsory academy age student not required to attend academy
- Code C2: Leave of absence for a compulsory academy age student subject to a part-time timetable
- Code C: Leave of absence for exceptional circumstance

6.1. Leave of Absence Requests – ‘Exceptional Circumstances’

The law does not grant parents the automatic right to take their child out of academy during term time. Only exceptional circumstances warrant an authorised leave of absence.

Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance. The academy will consider each application individually, considering the specific facts and circumstances and relevant background context behind the request. The request must be made by the parent with whom the child normally lives, and permission must be sought in advance. The academy will not grant leave of absence unless there are exceptional circumstances. The academy must be satisfied that there are exceptional circumstances, based on the individual facts and circumstances of the case; following consultation with other staff as required, including the Designated Safeguarding Lead. Where a leave of absence is granted, the academy will determine the number of days the student can be away from academy. A leave of absence is granted entirely at the academy’s discretion.

Circumstances which could be authorised include significant family emergencies or funerals. However, parents will also be aware that, wherever possible, it can be better for children to continue to attend academy normally during difficult family times.

Parents should complete a Leave of Absence Request form which is available from the academy. Leave of Absence Forms are available on the academy website or can be obtained from reception and should be returned completed to reception three weeks prior to any requested leave.

The request should be submitted as soon as it is anticipated; and wherever possible, at least three weeks before the absence. Although such absence may be unauthorised, it is better that we know your child is safe, rather than missing. Please be aware that you may be required to provide us with additional evidence to support your request. If we have any concerns about possible safeguarding risks such as risk of FGM or Forced Marriage, we will follow the necessary protocols.

All term time absence for children in care should be discussed at the child's Personal Education Planning (PEP) meeting in advance where possible and agreed with the Social Care and Virtual Academy. This permission should be gained before academy is approached for approval. The academy will contact the Virtual Academy in relation to any requests for term time absence for a child in care.

6.2 Medical/Dental Appointments

Parents should try to make appointments outside academy hours wherever possible. Where appointments during academy time are unavoidable, the student should only be out of academy for the minimum amount of time necessary for the appointment. It is not acceptable for a child to miss a whole day's schooling for an appointment, unless necessary, in which case the academy will need an explanation as to why this is. No student will be allowed to leave the academy site to attend a medical appointment during the academy day without parental confirmation. Advance notice is required for medical or dental appointments, unless it's an emergency appointment, and must be supported by providing the academy with sight of, or a copy of, the appointment card or letter – only then will the absence be authorised.

6.3 Part-time timetables - Leave of absence for a compulsory academy age student subject to a part-time timetable

Students are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.

If, for any reason, our academy is unable to provide a student with a full-time education due to the student's needs, we will work with the student, parent and other agencies where appropriate, to come to a mutually convenient arrangement. Any reduced timetables will be for the shortest amount of time possible, whilst arrangements are made to support the student's return to full-time provision as soon as possible.

7. Absent – other authorised reasons

Absent due to other authorised reasons means that the academy has given approval in advance for a student of compulsory academy age to be away from the academy or has accepted an explanation offered afterwards as justification for absence. These codes are classified for statistical purposes as 'authorised absence'. These codes include:

- Code T: Parent travelling for occupational purposes
- Code R: Religious observance
- Code I: Illness (not medical or dental appointment)
- Code E: Suspended or permanently excluded and no alternative provision made

7.1. Mobile student - Parent travelling for occupational purposes

The academy will authorise the absence of a mobile student of no fixed abode who is unable to attend academy because they are travelling with their parent who is engaged in a trade or business of such a nature as to require them to travel from place to place. This is subject to certain limits, depending on the child's age and number of sessions absent. The academy will discuss cases individually with Traveller parents as necessary. Parents should let the academy know of their plans as far in advance as possible. Authorised Traveller absence will be recorded appropriately in the register. To help ensure continuity of education for Traveller children, wherever possible, the child should attend academy elsewhere when their family is travelling for occupational purposes. In which case the child will be dual registered at that academy and this academy, which is their 'main' academy. Children from Gypsy, Roma and Traveller communities whose families do not travel for occupational purposes are expected to register at academy and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend academy regularly.

7.2. Religious Observance

Our academy acknowledges the multi-faith nature of the academy community and recognises that on some occasions, religious festivals may fall outside of academy holidays or weekends. In accordance with the law, the academy will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent belongs. Should any additional days be necessary, they should be requested in advance using the leave of absence in term time process. Additional days taken without exceptional circumstances will be recorded in the register as unauthorised absence. If necessary, the academy will seek advice from the parents' religious body, to confirm whether the day is set apart.

7.3. Illness

In most cases, absences for illness, which are reported by following the academy's absence reporting procedures, will be authorised. That is unless the academy has a genuine concern about the authenticity of the illness.

The academy follows Department for Education guidance 'Working together to improve academy attendance (applies from 19 August 2024) (publishing.service.gov.uk)' 2024⁴ which states that if the authenticity of the illness is in doubt, the academy may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence.

Where a parent cannot provide any written evidence, we will endeavour to have a conversation with the parent and student, if appropriate, which may itself serve as the necessary evidence to record the absence. We will not ask for medical evidence unnecessarily. In some instances, the academy may ask the parent to obtain a letter from a GP, or the academy may seek parental permission to contact the student's GP directly to

⁴ Please ask the academy for a printed copy of Working Together to Improve Academy Attendance if required

help support the needs of the individual student. If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a student has a high level and/or frequency of absence, the academy may require medical evidence of some description in order to authorise any future medical absences. If this is the case, the academy will make the parents aware of this expectation in advance. The reporting of absence due to illness remains the responsibility of the parent. Absences due to illness which have not been reported to the academy by the parent on the first day and each subsequent day of absence may not be authorised.

Parents should inform the academy of absence due to illness as soon as possible via the online form which can be found on the home page of the academy website. This should be done by emailing <mailto:attendance@castleviewacademy.org.uk> on the first day of absence and each day of subsequent absence. If a child is absent for more than one day, the parent should contact the academy each day to provide an update on the child's condition, unless otherwise agreed by the academy.

Mental Health and Wellbeing

Parents who have concerns about their child's mental wellbeing can contact their child's Head of Year at the earliest opportunity for further information on the support available. Parents should also contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned. In case of emergency parents should dial 999.

Students taken ill during the academy day

If a student needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of academy staff. In such circumstances, no student will be allowed to leave the academy site without parental confirmation. Students should tell their teacher if they feel unwell during lesson or go to the medical room during break or lunch, where they will be supported and if necessary, contact will be made with home to arrange their early dismissal.

7.4. Suspensions (Exclusions)

In this policy, the word 'suspension' is used to refer to what legislation calls an exclusion for a fixed period. Suspensions and permanent exclusions are both types of exclusion, and where this policy uses the word 'exclusion' this includes both suspensions; fixed-period exclusions and permanent exclusions.

If the academy decides to send a student home due to their behaviour, this will be recorded as a suspension. The academy will follow the current DfE's statutory guidance on suspensions and permanent exclusions. The full behaviour and exclusions policy for our academy can be found on the academy website.

Any suspension must be agreed by the Principal. The academy will notify the parent of the suspension in writing. If the student is a child in care, the academy will notify the student's carer, social worker and the Virtual Academy. In other instances, where a student is open to

Children's Social Care for any reason, the academy will also inform their allocated social worker. No student will be allowed to leave the academy site without parental confirmation.

8. Absent – unable to attend academy because of unavoidable cause

In accordance with DfE academy attendance guidance, our academy will record students as 'Unable to attend academy because of unavoidable cause' in the following circumstances, such circumstances are not recorded as absences and are not counted as possible attendances:

- Code Q: Unable to attend because of a lack of access arrangements
- Code Y1: Unable to attend due to transport normally provided not being available
- Code Y2: Unable to attend due to widespread disruption to travel
- Code Y3: Unable to attend due to part of the academy premises being closed
- Code Y4: Unable to attend due to the whole academy site being unexpectedly closed
- Code Y5: Unable to attend as student is in criminal justice detention
- Code Y6: Unable to attend in accordance with public health guidance or law
- Code Y7: Unable to attend because of any other unavoidable cause

9. Absent - unauthorised absence

Unauthorised absence is where the academy is not satisfied with the reasons given for the absence or no reason for absence was provided.

Absence will be unauthorised if a student is absent from academy without the permission of the academy. Whilst parents can provide explanations for absences, it is the academy's decision whether to authorise the absence or not.

Unauthorised absence includes, but is not limited to:

- Absences which have never been properly explained
- Students who arrive at academy too late to get a mark
- Shopping
- Birthdays
- Waiting at home for a washing machine to be mended, or a parcel to be delivered
- Day trips
- Long weekends and holidays in term time, unless very exceptional circumstances are agreed in writing, in advance by the academy
- In the case of term time leave - if a student is kept away from academy longer than was agreed, the additional absence is unauthorised

Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions. The unauthorised absence codes include:

- Code G – Holiday not granted by the academy
- Code N – Reason for absence not yet established
- Code O – Absent in other or unknown circumstances
- Code U – Arrived in academy after registration closed

10. Administrative codes

Where necessary and applicable, our academy will use the defined administrative codes.

These codes are not collected for statistical purposes and are:

- Code Z: Prospective student not on admissions register
- Code #: Planned whole academy closure

11. First Day of Absence Response

Parents or carers should contact the attendance team via the online form which can be found on the home page of the academy website on the first, and all subsequent days of absence. The academy will be in touch during the absence to understand how the child is feeling and make plans for their return to academy.

Parents or carers will be asked to supply details of at least three people who can be contacted in an emergency, and these details will be reviewed on a termly basis through email contact. If the academy is unable to contact any of the emergency numbers provided, and is concerned for the welfare of the student, we may undertake our own 'safe and well' checks and/or request a Welfare Check from the police.

12. Rewarding Good and Improved Attendance

Excellent attendance supports children to feel engaged in academy life, supports their success in lessons and is a vital part of making good progress. In addition, we recognise excellent attendance through weekly praise postcards. We also run attendance challenge weeks and prizes for tutor groups with the best and most improved attendance. Children who are improving their attendance through attendance plans will also be working towards individualised attendance rewards.

13. Support for Poor Academy Attendance (other than unauthorised term time leave)

Sometimes students can be reluctant to attend academy. We encourage parents and students to be open and honest with us about the reason for the student's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. As an academy, we need to understand the reasons why a student is reluctant to attend to be able to support students and parents in the best way.

When we have concerns about the attendance of a student, we will do our best to make the parents aware of the concerns about their child's attendance and give them the opportunity to address this. However, if parents do not make use of the support offered and improve their child's attendance to an acceptable level, this may result in legal sanctions.

Where there are no genuine reasons for the absences, parents may be asked to meet with the Head of Year and Attendance Officer to discuss the matter. In some cases, this may result in a formal action plan being produced in the form of an Attendance Plan.

If our academy refers a case of poor academy attendance to the Local Authority for legal

sanctions, we will show that we have warned the parents that they are at risk of receiving a Penalty Notice or other legal sanction. This will at least be evidenced via the sending of a Notice to Improve – attendance warning letter.

We will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances our academy will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents fail to accept or engage with support offered by the academy and/or other agencies or fail to implement the suggested changes. Again, when referring for legal sanctions, we will show that we have warned the parents that they are at risk of receiving a Penalty Notice or other legal sanction.

If our academy has safeguarding concerns about a student who is absent, we will share information with other agencies as we deem necessary.

14. Penalty Notices and Prosecutions

Parents have a legal responsibility to ensure that their child attends academy on a regular basis. It is a criminal offence under Section 444 of the Education Act 1996 to fail to secure regular attendance of a registered student at the academy. This applies to both resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend academy regularly. It also applies to others who may not be the parent but may have day to day care of the child.

Unauthorised absence from academy can result in several different outcomes for parents and children. Each case is considered individually. Under section 444 of the Education Act 1996, if a child of compulsory academy age, who is a registered student at a academy, fails to attend regularly at the academy their parents are guilty of an offence. Parents with more than one academy aged child need to be aware that each child's irregular attendance is dealt with as a separate matter.

The academy will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action unless there are reasonable grounds for not doing so. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

Penalty Notices are intended as a sanction for low level offences and a tool to support improved academy attendance for example in circumstances associated with an unauthorised holiday taken during term time. They are an alternative to prosecution and may not be issued if prosecution is a more appropriate response to a student's irregular attendance.

A student's unauthorised absence from academy could result in one of the following:

1. A Penalty Notice. The penalty is £80 per parent, per child, payable within 21 days, rising to £160 per parent, per child, if paid between 22 and 28 days. Failure to pay will result in prosecution. If a second Penalty Notice is issued within a rolling 3-year

period the penalty is £160 per parent, per child, if paid within 28 days. There will be no option to pay a lower amount.

2. Prosecution. Prosecution could lead to fines up to £2500 and /or up to 3 months imprisonment. See DfE's statutory guidance on School attendance parental responsibility measures for more information.

Penalty Notices and prosecution proceedings are issued to each parent with responsibility for the child and are issued for each child with irregular attendance. For example, in the case of Penalty Notices, if two siblings had irregular academy attendance, and there were two parents with responsibility for the children, four Penalty Notices would be issued. Penalty Notices cannot be paid in instalments.

In addition to Penalty Notices, there is a range of other legal interventions open to schools. We will work together with local authority and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution, and will work closely with the local authority to decide whether to use them in an individual case after considering the individual circumstances of a family. These are: Parenting contracts, Education supervision orders, Attendance prosecution, Parenting orders, Fixed penalty notices

15. Children Missing Education (CME)

Our academy will add and delete students from roll in line with the law. A student's name can only lawfully be deleted from the admission register if a reason set out in regulation 9 of the Academy Attendance (Student Registration) (England) Regulations 2024. The academy will make CME and Student Tracking referrals as appropriate. The academy will seek advice from the local authority representative responsible for children missing education if unsure about any individual cases:

16. Following up Unexplained Absences

Where no contact has been made with the academy, the academy will contact parents by text, email, telephone or letter to try and establish the reason for a child's absence. When we establish the reason for the absence, we will mark it as authorised or unauthorised depending on the reason for the absence. If we are unable to establish the reason for absence within 3 academy days, we will mark the absence as unauthorised, using the O code. If we are concerned about a student's absence and are unable to contact the parents, we may contact the student's emergency contacts and/or other professionals or contacts of the family who we reasonably expect may be able to advise us of the student's whereabouts. We may also attend the home in order to identify the child's whereabouts and discuss the reasons for their absence and lack of contact with academy.

17. Reporting to Parents

Attendance is communicated annually in the student's academy report, as well as at Progress Evenings and via email once per term. Students' attendance is also available on the parent Arbor app.

18. Recording Information on Attendance and Reasons for Absence

All attendance information is recorded on Arbor. Messages received from parents or carers relating to absence or attendance are also recorded on CPOMS.

19. Policy Monitoring Arrangements

This policy will be reviewed annually by Vice Principal responsible for Attendance or more frequently if there are changes to legislation and guidance. At every review, the policy will be shared with the governing body.

20. Links with other policies

This policy is linked to our Anti-Bullying Policy, Behaviour Policy, Inclusion Policy, Safeguarding and Child Protection Policy and Supporting Students with Medical Conditions Policy.

Appendix A – 5 Foundations of Effective Practice

- **Foundation 1:** The academy has a fully embedded ethos in which excellent academy attendance is expected, developed and nurtured. The escalated approach to supporting attendance is built on foundations of belonging and connectedness.
- **Foundation 2:** The approach to improving attendance is built on clear policies, systems and processes. This ensures continuous and sustainable improvement drives attendance practice. The attendance policy is understood by all stakeholders and allows the academy to set, and maintain, high expectations to improve the culture of attendance.
- **Foundation 3:** The academy prioritises developing a team of attendance experts, with a shared vision and core purpose. The Attendance Leader delivers bespoke training to support all staff to fully understand their role in improving attendance. External partnerships support attendance improvements through a multi-disciplinary approach for identified children and families.
- **Foundation 4:** Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. The attendance process ensures the Attendance Leader understands the reason for attendance concerns, these barriers can then be successfully supported and removed.
- **Foundation 5:** Connecting and belonging drives the academy approach to supporting attendance. All staff are supported to understand 'deeper roots' regarding poor attendance concerns. The academy has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success

Appendix B – Department for Education (DfE) Attendance & Absence Codes

Attending	
/ \	Present at the academy / = morning session \ = afternoon session
L	Late arrival before the register is closed
K	Attending education provision arranged by the local authority
V	Attending an educational visit or trip
P	Participating in a sporting activity
W	Attending work experience
B	Attending any other approved educational activity
D	Dual registered at another academy
Absent – Leave of absence	
C1	Leave of absence for the purpose of participating in a regulated performance or undertaking regulated employment abroad.
M	Leave of absence for the purpose of attending a medical or dental appointment
J1	Leave of absence for the purpose of attending an interview for employment or for admission to another educational institution
S	Leave of absence for the purpose of studying for a public examination
X	Non-compulsory academy age student not required to attend academy
C2	Leave of absence for a compulsory academy age student subject to a part-time timetable
C	Leave of absence for exceptional circumstance
Absent – other authorised reasons	
T	Parent travelling for occupational purposes
R	Religious observance
I	Illness (not medical or dental appointment)
E	Suspended or permanently excluded and no alternative provision made
Absent – unable to attend academy because of unavoidable causes	
Q	Unable to attend the academy because of a lack of access arrangements
Y1	Unable to attend due to transport normally provided not being available
Y2	Unable to attend due to widespread disruption to travel
Y3	Unable to attend due to part of the academy premises being closed
Y4	Unable to attend due to the whole academy site being unexpectedly closed
Y5	Unable to attend as student is in criminal justice detention
Y6	Unable to attend in accordance with public health guidance or law
Y7	Unable to attend because of any other unavoidable cause
Absent – unauthorised absence	
G	Holiday not granted by the academy
N	Reason for absence not yet established
O	Absent in other or unknown circumstances
U	Arrived in academy after registration closed
Administrative Codes	
Z	Prospective student not on admission register
#	Planned whole academy closure
