Dear students,

We are excited to inform you that on **Wednesday 6th May 2020**, we are holding an Online Open Event **from 2pm to 6pm** showcasing our fabulous facilities and promoting the College's wide range of courses. If you are in Year 11 and have not yet applied to Fareham College, it is not too late to apply!

What to expect:

- Advice and guidance from our course experts using our live chat
- Find out more about all of our courses, including the new T Level qualifications launching in September 2020
- Information about work experience and Apprenticeship options
- View our state of the art facilities across all three of our campuses.

Whatever year you are in, it is never too early to start thinking about your next steps after school. Please keep an eye on our social media pages for more details and we look forward to sharing our Online Open Event with you.

I also wanted to let you know that on our Instagram page we are starting to share '20 things to do before Fareham College.' This is primarily aimed at Year 11 applicants, and we will be including a range of information and questions for them to answer week on week. This is another way of supporting your students with their transition to college, so please do share this with them.
