Virtual Careers and Apprenticeship Show 2021

This years virtual Careers and Apprenticeship show will be taking place on Thursday, 20th May 2021

This event will take place virtually for Year 10 students. Students will have registered for this event in their tutor periods as well as watch the introductory video online this week.

The Careers and Apprenticeship Show is going virtual, bringing you a full day and evening of activities including;

- Information about apprenticeships and degree apprenticeships.
- 60+ virtual employer booths, for live chat.
- Inspiring speakers from the largest local employment sectors.
- Interactive sessions with live Q&A on a range of topics.
- A wide selection of live apprenticeship vacancies to choose from.
- Information on training opportunities Fact sheets, information packs, and resources to download and keep.
- Updates on the best career prospects in your local economy.

It's an unbeatable opportunity to gather information, make sense of your choices, and get inspired, and we hope you can join.

The Careers and Apprenticeship Show

Attendance Announcement

An important message from Mr Tucker

The most important thing that any child can do at school is to turn up, every day. This is the only way that they can make the most of the high quality teaching that takes place in our classrooms.

The table below shows the effect of even one day off and having 97% attendance, which may seem high, actually means missing 25 lessons over the course of a year. I am pleased to say that the majority of our students have 100% attendance, but unfortunately, we have some who do not and this means that they are missing out on vital learning.

It is also important to understand the effect of illness on a child's attendance. I would urge parents to consider carefully keeping their child off for a minor illness. You may be asked to provide medical evidence for repeated bouts of illness and this could lead to the absence being unauthorised. As a general rule any more than 2 days of illness in a term would be considered high and need medical evidence to support it but each case is dealt with on an individual basis.

The final stage of the attendance process is the Statutory Referral to the Local Authority. This is because under Section 444 of the 1996 Education Act it is a criminal Offence to fail to secure the regular attendance of a registered pupil at the academy. The referral level for this is after 10 sessions (5 days) of Unauthorized absence in a term, or 15 session (7.5 days) over the course of a year. Upon conviction, the magistrates court could impose a fine of up to £2500 per parent for each child or up to 3 months imprisonment. In addition to this a criminal conviction would be recorded.

We are working closely with the School Attendance team at Portsmouth City Council to ensure that levels of attendance at the Academy continue to improve. This means that unfortunately they have pursued action against some of our parents and families resulting this year in over £4500 of fines being issued.

Any parent struggling with attendance of their child should contact the Head of Year on the first instance. To ensure that matter is resolved promptly.

Mr A Tucker
Vice-Principal

Here at Castle View Academy we take pride in the achievements of our students. During lockdown, our Professional Studies department have been working exceptionally hard in delivering their online lessons and ensuring our students do not miss out on valuable learning in the creative fields.

Clay Projects Return

We are excited to announce the reintroduction of clay projects at KS3! The kiln passed its service which has enabled us to plan ceramics projects for this term. 8 Set 4 have been creating some fabulous pinch pot monsters inspired by gargoyles.

All KS3 students will have the opportunity to build on their skills through ceramics projects in each year group, preparing them for the Art and Design BTEC in year 10.

Year 9 Pop Art project

Year 9's have been creating Andy Warhol inspired food prints for the Pop Art project. They have been learning how to identify contrasting colours on the colour wheel to create eye catching repeat designs.

Year 9 students have been using inspirational foods such as pizza and chips as well as coca-cola cans to create their artwork this week.

After School Clubs

It has been great to see such an interest being taken in our after school clubs by our students here at Castle View.

Student	No. of unique skills completed	No. of skills with scores of 100%	No. of skills with scores of 70-99%	No. of skills with scores of 0-69%	Questions answered	Total learning (hrs)

fabricate

(verb)

If someone fabricates information, they invent it in order to deceive people.

Synonyms

- Invent
- Lie
- Construct

Sentences containing the verb 'fabricate'

- When I was late, I **fabricated** an excuse about my car breaking down.
- The bank manager **fabricated** a story about the location of the company profits.

Antonyms

- Be honest
- Candid
- Direct

This week the English department have chosen 'fabricate' as their word of the week, meaning 'If someone fabricates information, they invent it in order to deceive people.'

Year 10's prepare for History mocks

Year 10 Historians are preparing for their summer mock examination on Germany, 1918-1939. We have been studying the setting up of the Nazi Party; Party policy, Hitler's appeal, organisation, leadership and the role of the S.A. Good luck with your preparations and make sure you are revising and using Seneca at home.

Spanish Success

We use a platform for Spanish for independent learning and homework called *Languagenut*

Considering we have only been using *Languagenut* since March our student have been showing an outstanding level of dedication to their Spanish studies.

schools worldwide... that's a great achievement. A congratulations to Spanish and to your students at Castle View Academy. - Glenn

School World Ranking

82	Eltham College	5302700
83	Hull Trinity House Academy	5244900
84	Castle View Academy	5225300

In all honesty I'm extremely impressed! You have only been on the platform since the end of March, and your schools is ranked 83 out of over 2000
